

Game Rules (9/5/2024)

Note: The Zoom video slot is referred to as Zoom, The Game or Game.

- Zoom is a video slot with 6 reels and 64 fixed pay lines. The game features wilds and expanding Zoom symbols with re spin. The theoretical return to player is 96.2%.
- A game round is started with the action button and plays the game with the selected bet level.
- No bets can be altered during a game round.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- Zoom area. The reel set is divided into 6 Zoom areas, each Zoom area is 2 * 2 symbols in size. A Zoom area may only contain one Zoom symbol per spin or re-spin.
- Massive Symbol. The Zoom symbol will expand into a Massive Symbol that occupy the entire Zoom area where it is located. The Massive Symbol is active for the remainder of the game round.
- Re-spin. The Zoom symbol will trigger a re-spin, the re-spin will generate new symbols on all reels. A Massive Symbol may not receive any new Zoom symbols. Only one re-spin will trigger regardless of the number of simultaneous Zoom expansions.
- Super Massive Symbol. Any combination of four adjacent Massive Symbols and/or Zoom symbols (forming a square) will combine into a Super Massive Symbol covering 4 * 4 symbol positions. The Super Massive Symbol will trigger a re-spin. The Super Massive Symbol always take presence over Massive Symbol and/or Zoom symbol. The left side Super Massive Symbol will always have presence over right side Super Massive Symbol.
- All game payout and win combinations are paid out according to the payable.
- Only the highest win per payline is paid out, if in sequence from leftmost to right with no gaps and in combinations according to the payable.
- All pay line wins during a game round are added and presented at the end of the game round.
- Wilds substitutes for any other symbol, if and only if the wild symbol combined with at least one more symbol it substitutes for form a winning pay line.
- In the event of game malfunction all affected bets and pays are rendered void.
