

Game Rules (9/5/2024)

Note: Babushkas video slot is referred to as Babushkas, The Game or Game.

- Babushkas is a video slot with 5 reels and 17 fixed pay lines. The game features wilds, 4 symbol upgrade features and a bonus game of freespins with guaranteed wilds. The theoretical return to player is 95.8%.
- A game round is started with the action button and plays the game with the selected bet level.
- No bets can be altered during a game round.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- Symbol upgrade: a "symbol upgrade" or "upgrade"; is when a symbol is replaced with the next symbol of a higher pay table value.
- Win symbol upgrade: All winning symbols of a specific rank will be upgraded, if doing so creates either new or longer paylines.
- Wilds substitutes for any other symbol.
- Wild symbol: The wild symbol can appear on the middle reel. It may randomly trigger any of the features: Scare Bear, Charm Bear or Dance Bear.
- Scare Bear: All of the lowest valued symbol on screen will be upgraded, this may repeat 1 to 3 times.
- Charm Bear: All symbols on screen will be upgraded once.
- Dance Bear: Award freespins, during freespins the Wild symbol will appear on every spin.
- Wipe win: If all 15 symbols are the same when all win symbol upgrades are done, they will upgrade once more.
- Special win: If the wipe win condition applies to the highest valued symbol, a special win is rewarded according to the pay table.
- All game payout and win combinations are paid out according to the paytable.
- Only the highest win per payline is paid out, if in sequence from leftmost to right with no gaps and in combinations according to the paytable.
- All pay line wins during a game round are added and presented at the end of the game round.
- In the event of game malfunction all affected bets and pays are rendered void.
- The bonus game is played with the same bet as the spin that triggered the bonus game. The bonus game is part of the same game round as the spin that triggered it.
