

## Game Rules (9/5/2024)

Note: The Birds On A Wire® video slot is referred to as Birds On A Wire®, The Game or Game.

- Birds On A Wire® is a video slot with 5 reels and 17 fixed pay lines. The game features dropping symbols, wilds, multipliers and bonus game. The theoretical return to player is 96.0%.
- A game round is started with the action button and plays the game with the selected bet level.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All game payout and win combinations are paid out according to the payable.
- Only the highest win per pay line is paid out, if in sequence from far left to right in combinations according to the pay table.
- Symbols included in pay line wins are replaced with dropping symbols and/or existing symbols. This continues as long as there is a new pay line win.
- For each win on a symbol drop, the multiplier increases one level up to the maximum multiplier level.
- The wild symbol substitutes for any other symbol, if and only if the wild symbol combined with at least one more symbol it substitutes for form a winning pay line.
- The bonus symbol is a scatter symbol that grants the bonus game if 3 or more bonus symbols are won. The number of bonus symbols won correlates to the number of free spins granted in the bonus game according to the pay table.
- Inwinity Spin® is a feature granting the player an unlimited amount of free spins until a pay line win is reached.
- The bonus game is played with the same bet as the spin that triggered the bonus game.
- No bets can be altered during a game round.
- In the event of game malfunction all affected bets and pays are discharged.
