

Game Rules (9/5/2024)

Note: The Magicious video slot is referred to as Magicious, The Game or Game.

- Magicious is a video slot with 5 reels and 10 fixed pay lines. The game features expanding wilds with respin and two way wins. The theoretical return to player is 96.0%.
- A game round is started with the action button and plays the game with the selected bet level.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All game payout and win combinations are paid out according to the pay table.
- All pay line wins during a game round are added and presented at the end of the game round.
- Only the highest win per pay line is paid out, if in sequence from far left to right or far right to left in combinations according to the pay table.
- The expanding wild is a wild symbol that expands vertically. It expands from any position only appearing on reels 2, 3 and 4. The expanding wild substitutes for all symbols and triggers a respin after expansion. There is a total of 3 possible expanding wilds and 3 possible respins triggered by these.
- No bets can be altered during a game round.
- In the event of game malfunction all affected bets and pays are discharged.
