

## Game Rules (9/5/2024)

Note: The Spectra video slot is referred to as Spectra, The Game or Game.

- Spectra is a video slot with 5 reels and 30 pay lines. The game features stacked and nudging wild symbols and respins. The theoretical return to player is 96.4%.
- A game round is started with the action button and plays the game with the selected bet level.
- No bets can be altered during a game round.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- The appearance of 1 or more new wild stacks on or directly adjacent to a pay line triggers a respin. During each respin the wild stacks nudge 1 symbol position vertically towards the center of the reels.
- All game payout and win combinations are paid out according to the payable.
- Only the highest win per payline is paid out, if in sequence from leftmost to right with no gaps and in combinations according to the payable.
- All pay line wins during a game round are added and presented at the end of the game round.
- A wild symbol substitutes for any other symbol.
- In the event of game malfunction all affected bets and pays are rendered void.
