

## Game Rules (9/5/2024)

Note: The Barber Shop Uncut video slot is referred to as Barber Shop Uncut, The Game or Game.

- Barber Shop Uncut is a video slot with 15 reels and 40 fixed pay lines. The game features locking wins with respins and bonus game with free spins. The theoretical return to player is 97.0%.
- A game round is started with the action button and plays the game with the selected bet level.
- No bets can be altered during a game round.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- Respin is triggered when 3 or more symbols of the same kind appear from the left to right on a pay line. All symbols that triggered the respin will be locked in place while all other reels spin again. Any additional adjacent symbol of the same kind on the same pay line will trigger another respin until there are no more wins or all reels are locked. All respins are considered part of the game round.
- All game payout and win combinations are paid out according to the payable.
- Only the highest win per pay way is paid out, if in sequence from leftmost to right and in combinations according to the pay table.
- All pay way wins during a game round are added and presented at the end of the game round.
- The bonus symbol is a scatter symbol that can appear on any reel. 5 or more bonus symbols will trigger the bonus game with a number of free spins according to the pay table.
- The bonus game is played with the same bet as the spin that triggered the bonus game.
- All bonus game wins are multiplied by 3.
- Inwinty Spin is a feature in the bonus game, granting the player an unlimited amount of free spins until a pay line win is reached.
- In the event of game malfunction all affected bets and pays are rendered void.
