

## Game Rules (05/09/2024)

Note: The Full Moon Romance game is referred to as Full Moon Romance, The Game or Game.

- Full Moon Romance is a game with 5 reels and 15 fixed lines. The game features wilds, scatters, a clone feature and a Bonus Game with free spins. The theoretical return to player is 96.1%.
- A game round is started with the action button and plays the game with the selected play level.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All line wins during a game round are added and presented at the end of the game round.
- All game win amounts and win combinations are awarded according to the win table.
- Only the highest win per line is awarded, if in sequence from leftmost to right and in combinations according to the win table.
- The Full Moon scatter symbol can appear on any reel. 3 or more Moon scatter symbols will trigger the Bonus game, consisting of a granted number of free spins according to the win table. The number of Full Moon scatter symbols won correlates to the number of free spins.
- The Bonus game can be re-triggered by 3 or more Full Moon scatter symbols, granting an extra number of free spins according to the win table.
- Sweetheart symbol: The Sweetheart symbol is a stacked symbol taking 3 positions vertically. There are two kinds of Sweetheart symbols in the game; one represented as a female and the other as a male.
- In the main game, the two different Sweetheart symbols are treated as different symbols.
- During the Bonus game, the two Sweetheart symbols are transformed into werewolves and are treated as the same symbol.
- Clone feature: The clone feature is triggered when a Sweetheart hits the first reel, creating up to 4 additional clones that will land randomly on the reels.
- A wild symbol substitutes for any other symbol except for the scatter symbol.
- The Bonus game is played with the same play level as the spin that triggered the bonus game.
- No play levels can be altered during a game round.
- In the event of game malfunction all affected play amounts and wins are rendered void.
