

## Game Rules (9/5/2024)

Note: The Full Moon Romance video slot is referred to as Full Moon Romance, The Game or Game.

- Full Moon Romance is a video slot with 5 reels and 15 fixed pay lines. The game features wilds, scatters, a clone feature and a Bonus Game with free spins. The theoretical return to player is 96.1%.
- A game round is started with the action button and plays the game with the selected bet level.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All pay line wins during a game round are added and presented at the end of the game round.
- All game payout and win combinations are paid out according to the paytable.
- Only the highest win per pay line is paid out, if in sequence from leftmost to right and in combinations according to the pay table.
- The Full Moon scatter symbol can appear on any reel. 3 or more Moon scatter symbols will trigger the Bonus game, consisting of a granted number of free spins according to the pay table. The number of Full Moon scatter symbols won correlates to the number of free spins.
- The Bonus game can be re-triggered by 3 or more Full Moon scatter symbols, granting an extra number of free spins according to the pay table.
- Sweetheart symbol: The Sweetheart symbol is a stacked symbol taking 3 positions vertically. There are two kinds of Sweetheart symbols in the game; one represented as a female and the other as a male.
- In the main game, the two different Sweetheart symbols are treated as different symbols.
- During the Bonus game, the two Sweetheart symbols are transformed into werewolves and are treated as the same symbol.
- Clone feature: The clone feature is triggered when a Sweetheart hits the first reel, creating up to 4 additional clones that will land randomly on the reels.
- A wild symbol substitutes for any other symbol except for the scatter symbol.
- The Bonus game is played with the same bet as the spin that triggered the bonus game.
- No bets can be altered during a game round.
- In the event of game malfunction all affected bets and pays are rendered void.
