

Game Rules (9/5/2024)

Note: Not Enough Kittens video slot is referred to as Not Enough Kittens, The Game or Game.

- Not Enough Kittens is a video slot with 5 reels and 35 fixed pay lines. The game features double symbols and a bonus game with free spins and retriggers. The theoretical return to player is 96.1%.
- A game round is started with the action button and plays the game with the selected bet level.
- No bets can be altered during a game round.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All game payout and win combinations are paid out according to the payable.
- Only the highest win per pay line is paid out, if in sequence from leftmost to right and in combinations according to the pay table.
- All pay line wins during a game round are added and presented at the end of the game round.
- The wild symbol substitutes for any other symbol except the scatter symbol. A wild symbol in a pay line including a cat symbol is always counted as a double wild symbol.
- A single cat symbol will double in a pay line that includes a wild symbol.
- In the Bonus game, all wilds are stacked.
- 3 or more scatter symbols trigger the Bonus game consisting of free spins. The amount of free spins awarded depends on the number of scatters.
- In the Bonus game, 3 or more scatters awards a full retrigger.
- The bonus game is played with the same bet as the spin that triggered the bonus game.
- In the event of game malfunction all affected bets and pays are rendered void.
