

Game Rules (05/09/2024)

Note: The Falcon Huntress game is referred to as The Falcon Huntress, The Game or Game.

- The Falcon Huntress is a game with 5 reels and 9 lines. The game features Expanding Win and a bonus game with free spins and retriggers. The theoretical return to player is 96.1%.
- A game round is started with the action button and plays the game with the selected play level.
- No play levels can be altered during a game round.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All game win amounts and win combinations are awarded according to the win table.
- Only the highest win per line is awarded, if in sequence from leftmost to right and in combinations according to the win table.
- All line wins during a game round are added and presented at the end of the game round.
- The Wild symbol is a Scatter symbol and substitutes for any other symbol.
- The expanding win feature may occur on any winning spin in the base game. When expanding all winning symbols will expand individually. Expansion only occurs once per symbol. The wild symbols will never expand. In the Bonus game every win expands according to the same rules as in base game.
- 3 or more scatter symbols trigger the Bonus game consisting of free spins.
- In the Bonus game, 3 or more scatters trigger 10 extra free spins.
- The bonus game is played with the same play level as the spin that triggered the bonus game.
- In the event of game malfunction all affected play amounts and wins are rendered void.
