

Game Rules (05/09/2024)

Note: The Tiger Rush game is referred to as Tiger Rush, The Game or Game.

- Tiger Rush is a game with 5 reels and 10 fixed lines with both ways in the Base game and 25 fixed lines with both ways in the Bonus game. The game features expanding wilds and bonus game with free spins. The theoretical return to player is 96.3%.
- A game round is started with the action button and plays the game with the selected play level.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All game win amount and win combinations are awarded according to the win table.
- All line wins during a game round are added and presented at the end of the game round.
- All wins are presented and awarded in the selected coin type.
- Only the highest win per line is awarded in combinations according to the win table.
- The wild symbols substitutes for any other symbol except the scatter symbol. The wild symbol occurs on the middle reels and always expands, covering a whole reel. 1 (or more) wild symbols always grant 1 extra free spin.
- The Scatter symbol appears on the first and the last reel.
- The Bonus game is triggered by either 2 scatters, or 1 scatter and 1 adjacent wild. These combinations can occur together. The amount of free spins won, correlates to the number of combinations that triggered the Bonus game.
- When entering the Bonus game, the middle reels expand from 3 to 5 symbols.
- No play levels can be altered during a game round.
- In the event of game malfunction all affected play amounts and wins are discharged.
