

Game Rules (05/09/2024)

Note: The Midas Golden Touch game is referred to as Midas Golden Touch, The Game or Game.

- Midas Golden Touch is a 3x5 game with 15 fixed lines with multiplier wilds and a Bonus game with sticky win feature. The theoretical return to player is 96.1%.
- A game round is started with the action button and plays the game with the selected play level.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All game win amounts and win combinations are awarded according to the win table.
- All line wins during a game round are added and presented at the end of the game round.
- Only the longest win per line is awarded, if in sequence from leftmost to right with no gaps and in combinations according to the win table.
- The wild symbols substitutes for any other symbol except the scatter symbol. Any line including a wild symbol will have a multiplier based on the number of wilds included in the line. 1 wild symbol in a line grants 2x multiplier 2 wild symbols in a line grants an 4x multiplier 3 wild symbols in a line grants an 8x multiplier 4 wild symbols in a line grants a 16x multiplier 5 wilds in a line grants a 32x multiplier
- 3 or more scatter symbols trigger the bonus game, the number of spins depends on the number of scatter symbols in the spin.
- In the bonus game any win triggers a sticky respin feature, during the respin feature any winning symbols in a win line will be locked and the remainder of the symbols will respin. The respin feature continues until no additional winning symbols are locked. In the bonus game a single random wild is placed on the reels at the beginning of each free spin.
- No play levels can be altered during a game round.
- In the event of game malfunction all affected play amounts and wins are discharged.
