

Game Rules (9/5/2024)

Note: The Crystal Quest: Frostlands video slot is referred to as Frostlands, The Game or Game.

- Crystal Quest: Frostlands is a video slot with 6 reels and 4096 pay ways. The game features Wilds, a Multiplier, Massive symbols, an Avalanche feature, a Wild Explosion feature and a Bonus game with free spins. The theoretical return to player is 96.16%.
- A game round is started with the action button and plays the game with the selected bet level.
- No bets can be altered during a game round.
- Auto play plays the game automatically for the number of game rounds selected in the auto play page. This feature may not be available.
- All game payout and win combinations are paid out according to the payable.
- Only the highest win per pay way is paid out, if in sequence from leftmost to right and in combinations according to the pay table.
- All pay way wins during a game round are added and presented at the end of the game round.
- The Wild symbol substitutes for all other symbols except the Scatter symbol. No Wild symbols are present on the first reel.
- Massive symbols: All symbols except for the Scatter and the Wild may appear as Massive symbols both in the Base game and in the Bonus game. The Massive symbol may occur both as a 2x2 symbol and as a 3x3 symbol. A Massive symbol always lands at the bottom of the reels. During a respin, a Massive symbol may fall in, crushing all symbols underneath it. A Massive symbol will never appear above (or partly above) another Massive symbol, a Scatter symbol or a Wild symbol. All symbols forming part of a Massive symbol pays separately when included in a winning combination and according to the pay table.
- Avalanche feature: Symbols included in pay way wins are replaced with new and/or existing symbols dropping from above. This continues as long as there is a new pay way win. In the Bonus game it will also be triggered by the Wild Explosion feature.
- Multiplier: Each time the Avalanche feature is triggered, the multiplier increases one level. The multiplier will reset when the game round is over. In the Bonus game, the multiplier will not reset until the Bonus game is over.
- 3 Scatter symbols appearing on the reels during the Base game trigger the Bonus game consisting of 12 free spins. Any additional Scatter symbol awards 3 extra free spins. Scatters are counted when no more Avalanche features are awarded for the current spin.
- In the Bonus game, 2 Scatter symbols award 3 free spins. Any additional Scatter symbol awards 2 extra free spins. Scatters are counted when no more Avalanche features are awarded for the current spin.
- When entering the Bonus game, the multiplier will start at the same level as when the Bonus game was triggered.
- Wild Explosion feature: In the bonus game, when there are no winning combinations, all Wild symbols on the reels will explode and remove all other symbols (except the Scatter symbols) vertically and horizontally. If a Massive symbol intersects with a Wild Explosion, the entire Massive symbol will explode and be removed.
- The Bonus game is played with the same bet as the spin that triggered the Bonus game.

- In the event of game malfunction all affected bets and pays are rendered void.
- The maximum total bet multiplier for one game round is 15000. If this limit is reached the game round will be terminated and no additional wins will be paid out.
- Maximum win
 - The maximum win of the game is 15000 times total bet.
 - No choices will affect the probability to get the maximum win.
